

15 May 1951

MEMORANDUM FOR: THE DIRECTOR

FROM: Acting Assistant Director for
Intelligence Coordination

SUBJECT: Joint Manuals Establishing Policies and Procedures
for the Exploitation of Captured Intelligence
Sources

REFERENCE: a. JICM-219-51 of 9 April 51, encl. JIC 456/38
b. JICM-220-51 of 9 April 51, encl. JIC 456/39
c. JICM-228-51 of 10 April 51, encl. JIC 456/40

1. Reference memoranda conveyed to the Chairman, Intelligence Advisory Committee, the joint manuals which establish policies and procedures for the exploitation of captured intelligence sources. These manuals had been approved by the Joint Intelligence Committee and concurrence of the IAC was requested.

2. The manuals have been concurred in by appropriate offices within CIA, as noted below, and by the Department of State, the Federal Bureau of Investigation, and the Atomic Energy Commission.

3. It is recommended:

a. That the notification attached as TAB A be forwarded to the Joint Intelligence Committee.

~~CONFIDENTIAL~~

b. That the conclusion of the Agreement (attached as TAB B) by which CIA is to represent the interests of the other non-military IAC agencies with respect to these matters be authorized.

JAMES Q. REBER
Acting Assistant Director,
Intelligence Coordination
